

It's possible to put the Uptevia Investors site on your phone's home page!

On iOS (Apple)

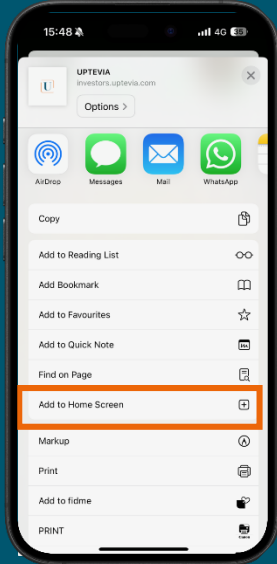

1

Click on the "Share" icon on the Uptevia Investors website:
www.investors.uptevia.com

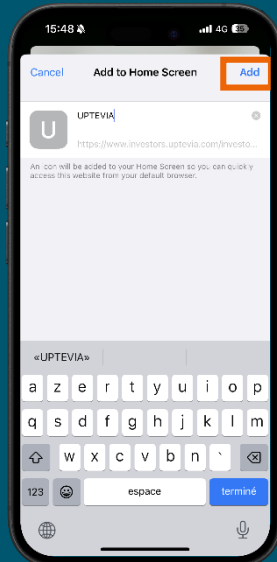

2

Click on "Add to Home Screen".

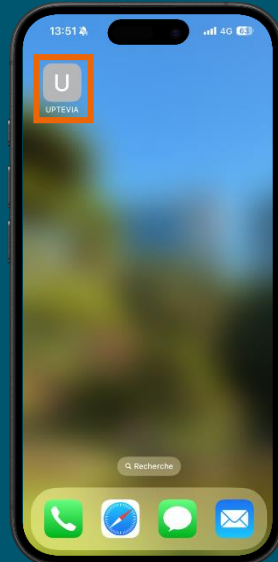

3

Name the icon, then click "Add".

4

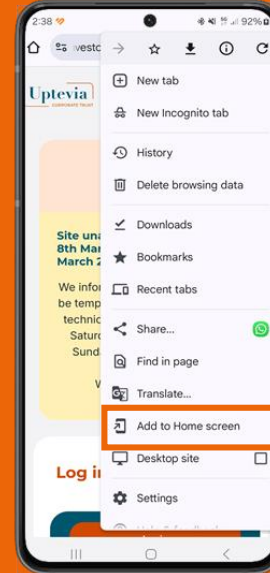

You can find the site on your mobile phone.

On Android (Samsung, etc)

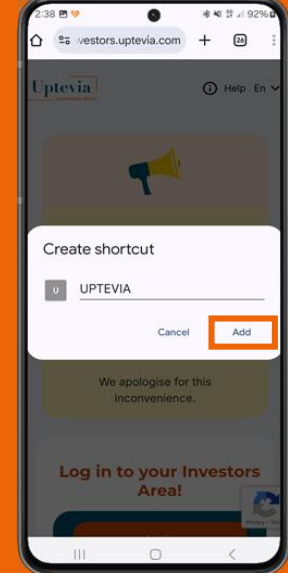

1

Click on the 3 dots at the top left of the screen, then on "Add to home screen", then on the "Share" icon once on the Uptevia Investors site:
www.investors.uptevia.com

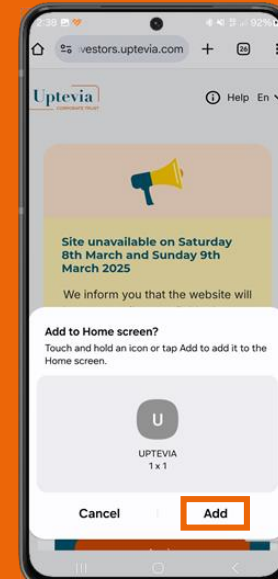

2

Name the icon, then click "Add".

3

Confirm by clicking on "Add".

4

You can find the site on your mobile phone.
